Such vacation shall be evidenced by the execution and delivery by the Association of a release of easement, which shall be acknowledged and in form acceptable for recordation in the office of the County Clerk and Recorder of Pitkin County, Colorado.

Such conveyances may be made from time to time either before or after Declarant has constructed the improvements thereon to be constructed by Declarant, whether pursuant to the provisions of the Subdivision Improvements Agreement, or elsewhere provided for herein; provided that the conveyance thereof shall not relieve Declarant of Declarant's obligations to construct such improvements.

7.2 Easement to Association Property. Appurtenant to each Lot shall be a nonexclusive easement to the Association Property. This easement is subject to the following rights of the Association, except a limited in this Declaration:

8-28-89

Each Owner, his lessees, their families and guests and any other persons using or occupying a Lot shall be bound by and shall strictly comply with the provisions of this Declaration, the By-laws, the Articles, any deed restrictions and covenants and all rules, regulations and agreements lawfully made by the Association. The Association

8-28-89

shall have the right and power to bring suit in its own name for either legal or equitable relief for any lack of compliance with any such provisions. The failure of the Association to insist upon the strict performance of any such provisions or to exercise any right or option available to it, or to serve any notice or to institute any action, shall not be a waiver or a relinquishment for the future, of any such provision. An Owner aggrieved by lack of compliance may also bring suit for legal and equitable remedies. If any court proceedings are instituted in connection with the rights of enforcement and remedies provided in this Declaration, the prevailing party shall be entitled to reimbursement of its costs and expenses, including reasonable attorneys' fees, in connection therewith.

8.3 Power of the Association. Each Owner agrees that the Association has all the powers granted it by the Colorado Non-Profit Corporation Act and any amendments thereto or replacements thereof. Such powers shall include, without limitation, levying assessments against Owners, imposing a lien on Lots for any such assessments and foreclosing any such liens, enforcing any deed restrictions and covenants, and acquiring, holding, leasing, mortgaging or conveying Association Property, and the adoption of rules and regulations.

8.4 Maintenance of Association Property. The Association shall be responsible for Maintenance and operation of all Association Property as a Common Expense.

8.5 Additional Association Functions. The Association may undertake, to the extent the Board, in its sole discretion so elects, to provide any other function for the benefit of or to further the interests of all, some or any Owners on a self-supporting, special assessment, or general assessment basis. The Board shall determine, in its sole discretion, whether the expenses in connection with any such function shall be designated as Common Expenses or as charges allocated solely to Owners utilizing such services. Any such charge shall be reasonable and shall be uniformly applied. Such functions may be provided by the Association's employees, by an independent contractor retained by the Association, or by the Snowmass Homeowners Association, Inc.

8.6 Other Rights of the Association. The Association may exercise any other right, power or privilege given to it expressly by this Declaration, the Articles and By-laws, or by law, and every other right, power or privilege reasonably to be implied from the existence of any right, power or privilege given to it herein or reasonably necessary to effectuate any such right, power or privilege.

8-28-89

8.7 Notice to Maintain. An Owner shall immediately report to the Association the need for any Maintenance which is the Association's responsibility to provide. In the event of any disagreement as to the need for or the responsibility of the Association to provide the Maintenance, the decision of the Board shall be final.

8.8 Mechanic's Liens. Declarant shall be responsible for the release of all mechanics' liens filed with respect to the Association Property, or any part thereof, if any such liens arise or are alleged to arise from labor performed or materials furnished at the instance of Declarant, its agents, contractors or subcontractors. Except as the result of labor performed or materials furnished at the instance of the Board, no labor performed or materials furnished with respect to the Association Property or Lots shall be the basis for filing a lien against the Association Property. No labor performed or materials furnished at the instance of the Board shall be the basis for filing a lien against any Lot.

IX. ASSESSMENTS

9.1 Obligation to Pay Assessments. Each Lot shall be subject to such general or special assessments as the Association may levy from time to time. The assessments collected shall be used exclusively to promote the operation, administration and management of the Association Property and the Property for the use and benefit of all Owners. Each Owner shall be obligated to pay and agrees to pay all such assessments levied against his Lot and may not exempt himself from liability by waiver of the use and enjoyment of the Association Property or by an abandonment of his Lot.

9.2 General Assessments. General assessments shall be based upon a budget for a fiscal year to be designated by the Board, shall include funds for the Common Expenses, and shall also include funds as a reserve for Maintenance which cannot be expected to occur on a regular annual basis. A brief summary of the annual budget shall accompany each general assessment notice. The failure of the Board to establish a budget for the next fiscal year before the expiration of any fiscal year shall not release the Owners from their obligation to pay any assessments or installments thereof for that or any subsequent year. The budget and assessment installments established for a preceding year shall continue until a new budget is fixed.

9.3 Special Assessments. If the estimated cash requirements set forth in the budget prove to be inadequate for any reason, including non-payment of any Owner's assessment, or there are inadequate funds in the reserve, the Board may levy special assessments from time to time. This Section shall not be construed as an independent source of authority for the Board to

8-28-89

incur expenses, but shall be construed to prescribe the manner of assessing for expenses authorized by other Sections.

9.4 Apportionment of Assessments. Except as otherwise provided in this Declaration, amounts assessed pursuant to Section 9.2 or Section 9.3 shall be equally allocated and assessed among the Owners in proportion to the number of Lots owned by each. Assessments which are attributable to only particular Lots may be allocated, in the sole judgment of the Board, on an appropriate equitable basis.

9.5 Refunds. If in any fiscal year the assessments collected by the Board exceed Common Expenses incurred, the Board shall have the right, but not the obligation, to make refunds or give credits against future assessments. Refunds or credits shall be apportioned in the same manner as the general and special assessments which created such surplus. Owners whose Lots were subject to this Declaration for less than the full fiscal year shall receive only a proportionate refund or credit based upon the number of days the Lot was subjected to this Declaration. Any credit received by Declarant as an Owner under this Subsection shall be applied to another Lot owned by Declarant or, if there is no such Lot, shall be converted into a cash refund.

9.6 Assessments Adjustments. With respect to any assessment, credit or refund, the Board shall have the power to round off and make other minor adjustments of less than \$10.00 in each Owner's allocation for the following purposes: (i) to create whole round numbers for the convenience of the payor; or (ii) to correct any discrepancy between the total of each Lot's allocation of any such assessment, credit, or refund, and the total amount of either the expenses actually subject to assessment or the surplus actually available for a refund or credit.

9.7 Collection Remedies.

(a) All assessments or installments thereof shall be due and payable at the time or times designated by the Board by written notice delivered to the Owners. Overdue assessments shall bear interest at 18% per annum, or such other lawful rate or charge as the Board may determine from time to time. The payment of any assessment payable in installments may be accelerated by the Board for failure to pay any installment when due.

(b) An assessment shall be the personal obligation of the Owner of the Lot at the time the assessment is levied against the Lot. A suit to recover a money judgment for unpaid assessments may be maintained against any Owner without waiving or otherwise prejudicing the Association's right to pursue its remedies under Subsection 9.7(c). The Association shall be entitled to

8-28-89

recover the costs of suit and reasonable attorneys' fees incurred in bringing any action under this subsection.

(c) The Association shall have a lien against a Lot for any assessments against the Lot which are due and unpaid. Costs of collection, including without limitation, a reasonable attorneys' fees and other court costs, shall be added to the assessment lien amount. All amounts unpaid shall be evidenced by a statement executed by the Association and recorded in the office of the Clerk and Recorder of Pitkin County, Colorado. The assessment lien against a Lot shall be subordinate only to the First Mortgage on the Lot. The Association shall have the right to foreclose such lien in the manner provided by Colorado law for mortgages upon real property. The Association shall have the power to bid on the Lot at a foreclosure sale and to acquire, hold, lease, mortgage and convey the same.

(d) For the purposes of this Section, the term "assessments" includes any amounts due in accordance with the terms of this Declaration.

9.8 Grantee and Mortgagee Assessment Obligations. No Owner shall convey or mortgage his Lot unless and until all sums due the Association, whether or not evidenced by a recorded statement, are currently paid, but no Mortgage transaction shall be voidable by the Association nor shall the superior position of a First Mortgagee be adversely affected by a lien of the Association. At least five (5) business days prior to any conveyance or Mortgage, the Owner shall deliver written notice to the Association advising it of the proposed transaction and the names and addresses of all transferees and Mortgagees involved. If any assessment is due and owing by the Owner, his grantee or Mortgagee shall apply the proceeds of any such transaction to the payment of delinquent amounts due the Association before paying or disbursing any amount to the Owner. The grantee of a Lot shall be jointly and severally liable with his grantor for all unpaid assessments against the latter up to the time of the grant or conveyance, without prejudice to the grantee's right to recover from the grantor any amounts paid by the grantee therefor. Upon written request and payment of such reasonable fee as may be set by the Association, the Association shall issue a written statement to such grantee or Mortgagee verifying the status of all assessments or charges affecting the Lot. Any statement as to the existence or amount of any delinquencies shall conclusively bind the Association. A First Mortgagee, who takes title to a Lot pursuant to the remedies in the deed of trust encumbering that Lot shall take such Lot free and clear of all unpaid assessments and the lien therefor.

9.9 Assessments for Tort Liability. In the event of any tort liability against the Association which is not covered completely by insurance, each Owner shall contribute for the payment of such liability as a special assessment in the

8-28-89

REV 000 - 023

proportion described in Section 9.4. The Association may, however, require a larger contribution from fewer than all Owners under any legal or equitable principle regarding liability for negligent or willful acts or omissions.

X. INSURANCE

10.1 Types of Insurance. The Association shall obtain and keep in full force and effect the following insurance coverages, if appropriate:

(a) Property and fire insurance with extended coverage and standard all-risk endorsements, including vandalism and malicious mischief, on the Association Property. The total amount of insurance, after application of deductibles shall be 100% of the replacement value of the insured property exclusive of land, foundations and other items normally excluded from property policies.

(b) Public liability and property damage insurance, including medical payments insurance, in an amount to be determined by the Board covering all occurrences commonly insured against for death, bodily injury and property damage arising out of or in connection with the ownership, operation, Maintenance or other use of Association Property. This policy shall also cover operation of automobiles on behalf of the Association.

(c) Workmen's compensation and employer's liability insurance in the amounts and in the forms required by law.

(d) Fidelity coverage against the dishonesty of employees, destruction or disappearance of money or securities, and forgery. This policy shall also cover persons who serve the Association without compensation.

(e) Coverage of members of the Board and officers of the Association against libel, slander, false arrest, invasion of privacy and errors and omissions and other forms of liability generally covered in officers and directors liability policies.

(f) Coverage against such other risk of a similar or dissimilar nature as the Board deems appropriate.

10.2 Conditions of Insurance. Such insurance shall be at standard premium rates as established by the Colorado Insurance Commissioner and written with companies licensed to do business in Colorado having a Best insurance report rating of Class 6 or better. No policy shall be obtained where:

8-28-89

(a) contributions or assessments may be made against the Mortgagor or Mortgagee's designee under the terms of the insurance company's charter, by-laws or policy;

(b) by the terms of the carrier's charter, by-laws or policy, loss payments are contingent upon action by the company's board of directors, policyholders or members; or

(c) the policy includes any limiting clauses (other than insurance conditions) which could prevent Mortgages from collecting insurance proceeds.

10.3 Named Insured and Interests. Policies of property insurance shall name the Association as the insured and the entity to which payment is to be made. The certificate or memoranda of insurance, duplicate originals of all policies and renewals, and proof of payment of premiums shall be issued to the Association, and upon request, to any Owner or Mortgagee.

10.4 Invalidation or Reduction of Coverage. Insurance policies carried pursuant to Section 10.1(a) must provide the following:

(a) that the insurer waives its right to subrogation under the policy against any Owner, any lessee and their families;

(b) that no act or omission by any occupant will void the policy or be a condition to recovery under the policy, unless that person is acting within the scope of his authority as an officer of the Association or as a member of the Board; and

(c) that if, at the time of a loss under the policy, there is other insurance in the name of an Owner or any lessee covering the same property covered by the policy, the policy is primary insurance not contributing to the Owner's individual insurance.

#### XI. DAMAGE, DESTRUCTION AND OBSOLESCENCE

11.1 Insurance Proceeds. The Association shall receive the proceeds of any insurance described in Section 10.1(a) purchased by the Association as the owner of the Association Property. Any proceeds shall be used for the purpose of Maintenance unless the Owners decide to terminate this Declaration in accordance with the provisions set forth in Section 13.2.

8-28-89

11.2 Mandatory Maintenance. In the event of damage or destruction due to fire or other disaster, if the insurance proceeds are sufficient to reconstruct the improvements, the Association shall promptly cause such Maintenance to occur. If the insurance proceeds are not sufficient for such purpose, the Association may levy special assessments against the Owners for such deficiency pursuant to Article IX.

11.3 Plan for Maintenance. Members holding two-thirds or more of the votes outstanding and entitled to be cast under the By-laws may agree that the Association Property, or any part thereof, is obsolete and may adopt a written plan for Maintenance. The Association shall duly record such plan in the office of the Clerk and Recorder of Pitkin County, Colorado.

11.4 Payment for Maintenance. The expense of Maintenance shall be payable by all of the Owners as Common Expenses. Assessments for the estimated cost of Maintenance shall be levied pursuant to Article IX hereof and shall be allocated and collected as provided in that Article. Further levies may be made in like manner if the amounts collected prove insufficient to complete the Maintenance. Dissenting Owners shall not be relieved of their obligation to pay their proportionate share of any Common Expenses. If the Association collects more money pursuant to this Section than is ultimately required for Maintenance, the Association shall return such excess to the Owners by a credit against the next installments of the annual assessment, or by a cash distribution to each Owner, in an amount proportionate to the respective amount collected from each Owner. The Association shall have full authority, right, and power to Maintain the improvements on the Association Property notwithstanding the failure of an Owner to pay the assessment.

XII. TAKING BY EMINENT DOMAIN

12.1 Taking of Association Property. If any portion of all of the Association Property is taken or condemned by any authority having the power of eminent domain, all compensation and damages on account of the taking of the Association Property, exclusive of compensation for consequential damages to affected Lots, shall be payable to the Association as Owner of the Association Property.
